Harold,

You are more than welcome to do that and I hope your students find the material useful.

Paul.

Additional Comments :

Paul,

After my day job at McAfee, Inc. I tutor several students in precalculus through calculus 3 and linear algebra. I find my students using the services of WyzAnt, Inc. My tutor profile is below.

I would like to provide links to and paper handouts of your material to the math students that I tutor. I like your cheat sheets the most.

My Web site is:
